### President's Report- Bob Lawrence

-There will be no increase in the GSC registration fees for the 2009-10 season. They will remain at \$350 for U-11 and up and \$300 for U-10 and below. It has been four years since the last increase. It will be necessary to increase fees for the 2010-11 season to help fund additional field space.

-The need for additional field space for GSC has become an urgent matter. At the start of our next season, the Town of Gilbert will be strictly enforcing their rule which states that 80% of GYSA/GSC/Arsenal Academy membership must be made up of Gilbert residents if we would like to continue using the town's fields. GSC needs to have alternate fields for teams with higher non-Gilbert resident rates to practice on so we are compliant with this rule.

-GSC is working on the development of 6 fields (2 large and 4 small) at Chandler Gilbert Community College. It is also working on securing space at MCC. Longer term options include some local churches with land to develop.

-The budget has been reviewed and it was determined that in order to fund field construction at CGCC, speed and technical training will no longer be included in the GSC registration fee. Teams will now be responsible for paying for speed and/or technical training on their own. Teams will be given a list of trainers to choose from. Please note that Goal Keeper Training is NOT affected by this and will remain the same. Many other budget items have been reduced or omitted to help save money to pay for fields.

Secretary's Report – Jamie Cope No report

Treasurer's Report – Kathleen Renshaw Not present

Registrar's Report – Lisa Lenkaitis Not present

Director of Coaching- Tim Barmettler

-Skills Assessments dates are posted on the GSC website. Actual time schedules for individual age groups will be posted soon. Skills Assessments will be held at GYSC on the A fields.

-Coaches for the 2009-10 season being finalized.

Uniform Coordinator- Stacie Gillaspie

-New uniforms will be done by Xara. Color and design are set. Stacie has done some preliminary sizing to get an idea of fit. She provided two different quotes for the uniform pieces: one for U-10 and under and one for U-11 – U17. All girls U-11 and up will be wearing women’s cut tops and shorts. U-10 and under girls are wearing boy’s cut shorts. GSC pays for one keeper jersey per team. Team will need to purchase additional keeper jersey if needed. Uniform sizing will be done at skills assessments. This will save time. Once teams are finalized the order will be ready to submit. Planning on uniform delivery in the June/July time frame. Information will be emailed to team managers.
