Soccer is the number one sport in the world and is gaining popularity in the U.S. as well. Put that together with the fact that Gilbert has recently received recognition as the fastest growing community in the United States, and you have something really big!

GSC currently has over 50 teams, representing more than 750 families competing in State, Regional and National tournaments. A recent survey of our families has yielded that the majority of our players are leaders, honors students, and are involved in community service. We are currently ranked the 2nd best club in the state of Arizona.

Club soccer allows for a more competitive environment and higher level of coaching and training. Our commitment to our players, coaches, families and community is to develop top rate soccer teams at high levels of competition and prepare individual players for high school and collegiate competition. Winning through competitive spirit and sportsmanship is important. Improving the soccer skills of all participants (both coaches and players) is the basic Club goal. We are committed to representing ourselves, our sponsors and our community with class.

We are seeking sponsors to help defray our costs and continue our programs. As a 501(c)3 non-profit organization, your gifts will be tax-deductible.

Substantial financial gifts may be recognized through representation on our uniforms, practice shirts and/or other collateral materials. Please contact Vice President, Rob Messer at [rokabe1@msn.com](mailto:rokabe1@msn.com) for more information. Donations of any kind are greatly appreciated.
